FYI, we provided comments on their coordination plan on Aug 3 and agreed to be a cooperating agency in a letter dated Aug 9. Mr. Punske mentioned that a primary issue on this project is effects to low income and minority populations. Would we want to invite Karen McCormick and Sharon Parrish?

I'm available anytime in October.

John:

The Federal Highway Administration and TxDOT would like to schedule a meeting with your office to discuss this Harbor Bridge and the most effective way for our agencies to cooperate on this very important project. Please let me know if EPA is open to meeting with us on this project and provide timeframe that would best meeting your agency's

schedule. We would plan to travel to your office for the meeting.

Please call me if you require additional information.

I look forward to working with you on this project.

thanks
